

To get to Island Aerie from the Ferry Dock

1. Exit the ferry dock parking lot and turn RIGHT on to Main Street.
2. Follow this street around the harbor – it becomes Michigan Street.
3. Keep going until you see the Lighthouse at Whisky Point, the mouth of the harbor.
4. As you get close to the Lighthouse, you will see a gravel road called Gull Harbor Drive that branches off to the left.
5. Turn LEFT on to Gull Harbor Drive.
6. You will pass four houses on the left.
7. The fifth house is Island Aerie – it is triangular-shaped with a blue steel roof and big decks on the front.
8. Drive PAST the house, looking for the driveway on the left.
9. There is a sign next to the driveway that says “Island Aerie.”
10. Turn into the driveway and go around to the back of the house where there is a parking area.

Enjoy!
